TCM ONE - TALENT & CAREER MISSION (THE CODE MUNK)
INSTITUTIONAL PARTNERSHIP PROPOSAL & OPERATIONAL FRAMEWORK

Confidential Academic & Commercial Partnership Document | Academic Year 2026-2027

---

1. EXECUTIVE OVERVIEW

TCM One delivers an industry-grade tech education and career placement ecosystem for universities, colleges, and training institutions with Zero Upfront Licensing Fees. We bridge the critical gap between traditional classroom theory and modern software engineering demands through practical, mentor-led, and AI-assisted learning tracks.

2. CORE ECOSYSTEM PILLARS

- Structured Curriculum: Full Stack Web Development, Python & Automation, Data Science & AI, DSA.
- TCM One Platform: Unified digital learning environment, automated progress tracking & assessments.
- Ask with AI: 24x7 first-line doubt resolution without replacing assigned human faculty.
- Mentor Support: Comprehensive faculty onboarding frameworks and expert industry mentors.
- Practical Portfolios: Real-world client-simulated projects, Git workflow, and code reviews.
- Career Opportunities: Direct hiring pipelines, resume audits, mock interviews, and partner internships.

3. PARTNERSHIP MODELS

A. REFERRAL MODEL (Flexible & Low Operational Load)

- Who it is for: Colleges, coaching centres, and communities introducing programs to students.
- Institutional Role: Student awareness, enrollment promotion, and partner code attribution.
- TCM One Role: Complete curriculum delivery, live interactive classes, AI support & evaluation.
- Commercial Terms: 15% - 25% institutional commission per verified paid enrollment.
- Payout Timelines: Monthly disbursement within 30 days of batch commencement.

B. ACADEMIC PARTNERSHIP MODEL (Deep Collaboration & Campus Delivery)

- Who it is for: Colleges & institutes running co-branded semester courses or dedicated cohorts.
- Minimum Batch Size: 20 students per cohort.
- Institutional Infrastructure: Computer lab (1 PC per student, 20Mbps+ internet, display projector).
- Mentor Arrangement: Nominated institute faculty (trained by TCM One) or assigned TCM mentors.
- Commercial Terms: 35% - 50% institutional revenue share based on delivery model.
- Settlement: Milestone-based ledger with transparent enrollment reconciliation.

4. ILLUSTRATIVE FINANCIAL PROJECTIONS (Example Cohort)

- Cohort Size: 50 Students | Course Fee: INR 5,000 per student
- Total Batch Collections: INR 2,50,000
- Institute Share (40%): INR 1,00,000 per batch
- TCM One Delivery Share (60%): INR 1,50,000 per batch
- Annual Potential (4 Batches): INR 4,00,000 Institute Accrual

* Note: Projections are illustrative. Specific commercial shares are established in the formal MoU.

5. GOVERNANCE, INTELLECTUAL PROPERTY & DATA PRIVACY

- Role-based access controls for Students, Mentors, and Institutional Coordinators.
- All course curricula, code repositories, and AI engines remain proprietary intellectual property.
- Full compliance with Digital Personal Data Protection (DPDP) Act; student data is never sold.

6. 8-STAGE PARTNERSHIP JOURNEY

Stage 1: Explore Models --> Stage 2: Calculate Projections --> Stage 3: Submit Application
Stage 4: Discovery Call --> Stage 5: Formal MoU Signing --> Stage 6: Faculty & Lab Onboarding
Stage 7: Batch Launch --> Stage 8: Milestone Tracking & Growth
